

Turn back time in 2 weeks.

The Bioxil Beauty Revolution

The Bioxil Skin Care System is an advanced, innovative and structured concept that produces visible results in the shortest time. Bioxil utilizes advanced nano-liposomal delivery system that helps deliver all the skin care goodness of Bioxil directly to where it is needed for maximum efficacy. And you'll be pleased to know that all Bioxil products are non-comedogenic and do not contain any known controversial ingredients.

Youthful skin in a fortnight

The Bioxil 2 Weeks Miracle is a futuristic skin care system using only advanced bio-cosmetology and all-natural ingredients to encourage your skin's natural recovery, and restore youthful skin texture and radiance. In fact, you'll see visible reduction of wrinkles and age spots from your first application.

Natural plant extracts help your skin renew and rebuild itself, fermented organic ingredients instantly smooth and nourish your skin cells, peptides and peptides complex boost radiance by stimulating cell proliferation, and nanocapsulated ingredients deliver the benefits deep into your skin.

The benefits of biologically active peptides

As we age, our skin becomes sluggish and cell turnover decreases by over 50%. Bioxil's 2 Weeks Miracle with biologically active peptides stimulates old skin cells for a youthful renewal pattern that significantly improves overall skin quality. Unlike other skin renewal and brightening ingredients, biologically active peptides cause no irritation, and are immediately recognized when applied to skin.

The advanced technology and innovative ingredients behind Bioxil 2 Weeks Miracle

"Bioxil 2 Weeks Miracle does the impossible by producing a fresh batch of skin care and delivering it to you, within 1 week."

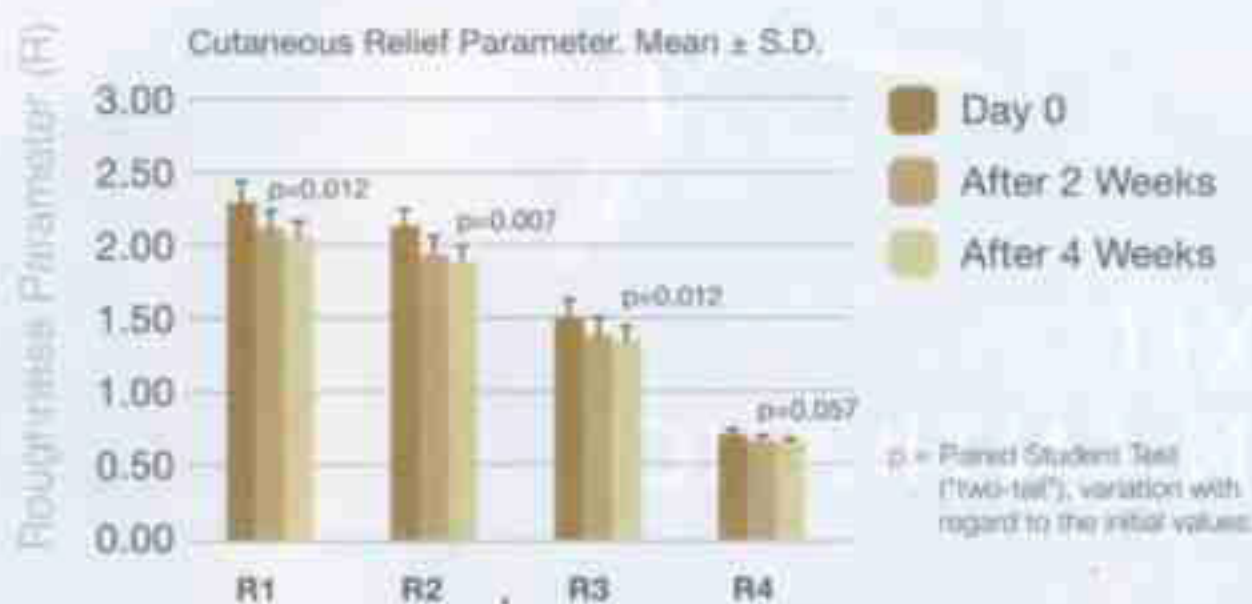

Bioxil 2 Weeks Miracle

Ageless Miracle

Bioxil 2 Weeks Miracle's advanced anti-aging program prevents the first signs of skin fatigue, as well as the appearance of wrinkles by correcting your skin, moisturizing and balancing pH levels; by supplying your skin with sufficient nutrition and active ingredients; by reducing wrinkles and recovering elasticity, and through an intensive anti-aging care system.

Each Ageless Miracle set consists of 2 units each of the following items:
The Solution, The Serum, The Cream, The Eye Cream

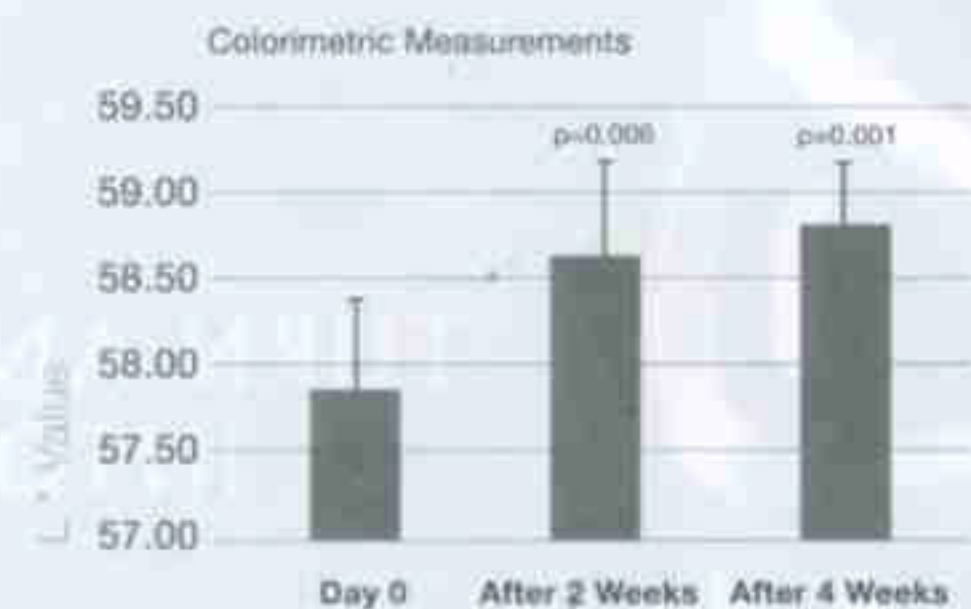

Clinical studies revealed a significant decrease in wrinkle intensity after 4 weeks of use.

Clear White Miracle

Bioxil 2 Weeks Miracle advanced skin brightening regime visibly reduces the size and intensity of dark spots even as it moisturizes your skin. It corrects your skin while moisturizing and balancing pH levels. Natural brightening ingredients treat dull skin with nourishing moisture, and biologically active peptides help reduce the build-up of dark spots and boost cellular energy. The result is brighter, radiant and healthy looking skin.

Each Clear White Miracle set consists of 2 units each of the following items:
The Solution, The Serum, The Cream, The Corrector

Clinical studies revealed a significant whitening effect on pigmented areas after 2 and 4 weeks of use.
