DISTIL MY HEART

Crabtree & Evelyn's newest collection Aromatherapy Distillation blends 100 per cent essential oils with natural ingredients for gorgeous-smelling, well-thought-out concoctions. Choose from three ranges, the relaxing, revitalising and purifying collections. What's more, since all products from the body scrubs to massage oils are free from parabens, mineral oils and synthetic fragrances, you'll be kind to your skin as well. *From \$35. At Crabtree & Evelyn stores.*

MIRACLE WORKER

Bioxil's 2 Weeks Miracle is a complete skin-boosting regimen you can temporarily replace your regular routine with. Choose between the Clear White Miracle or Ageless Miracle. The secret to its success is in its growth factor mimicking peptides that act like the real thing, regenerating fibroblasts and keratinocytes and restoring damaged skin cells. Every two weeks, a box is freshly delivered to your home from Korea. *\$480 (a month's supply). Available at #01-06 VivoCity, 6222-6368.*

BEAUTY BEFORE AGE

- Lancôme Rénergie Refill Intensive Anti-Wrinkle Targeted Serum, \$170, is like a filler without the needles. The serum also defends against the formation of new wrinkles by boosting the synthesis of collagen, elastin and hyaluronic acid in the skin.
- Dior Capture Totale Haute Nutrition line returns with a new fragrance and products. We love innovative ones like the Multi-Perfection Nurturing Oil Treatment, \$198, formulated in an oil to deliver maximum nutrition to dry, ageing skin. Meanwhile, the Multi-Perfection Refirming Body Concentrate, \$205, can be applied on the entire body to reshape curves with its velvety texture.
- Prevaqe Body Total Transforming Anti-aging Moisturizer, \$135, extends the use of powerful ingredients like Idebenone to the body, treating spots and discolorations caused by sun damage, dimpled skin and even minor scars, so you can look flawless from top to toe.
